Certain statements and assumptions in this press release contain or are based upon "forward-looking" information and are being made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are subject to risks and uncertainties. When we use the words "will likely result," "may," "anticipate," "estimate," "should," "expect," "believe," "intend," or similar expressions, we intend to identify forward-looking statements. Such statements are subject to numerous assumptions and uncertainties, many of which are outside Ashford Trust's control.

These forward-looking statements are subject to known and unknown risks and uncertainties, which could cause actual results to differ materially from those anticipated, including, without limitation: general volatility of the capital markets and the market price of our common stock; changes in our business or investment strategy; availability, terms and deployment of capital; availability of qualified personnel; changes in our industry and the market in which we operate, interest rates or the general economy; and the degree and nature of our competition. These and other risk factors are more fully discussed in Ashford Trust's filings with the Securities and Exchange Commission.

The forward-looking statements included in this press release are only made as of the date of this press release. Investors should not place undue reliance on these forward-looking statements. We are not obligated to publicly update or revise any forward-looking statements, whether as a result of new information, future events or circumstances, changes in expectations or otherwise.
