ASHFORD HOSPITALITY TRUST ANNOUNCES PRELIMINARY FIRST QUARTER 2022 RESULTS

DALLAS, April 25, 2022 -- Ashford Hospitality Trust, Inc. (NYSE: AHT) (“Ashford Trust” or the “Company”) announced today its preliminary expectations for net loss attributable to common stockholders, Adjusted EBITDAre, and Adjusted FFO for the first quarter ended March 31, 2022.

The Company reported today a preliminary estimated range of net loss attributable to common stockholders of approximately \$(58.8) million to \$(56.8) million, a preliminary estimated range of Adjusted EBITDAre of \$40.0 million to \$42.0 million, and a preliminary estimated range of Adjusted FFO available to common stockholders and OP unitholders of \$(1.8) million to \$0.2 million for the first quarter ended March 31, 2022. Final results for the first quarter ended March 31, 2022 will be released on May 3, 2022, as previously announced.

“We are excited to report these preliminary results for the first quarter, which were driven by strong leisure and transient demand across our portfolio,” commented Rob Hays, Ashford Trust’s President and Chief Executive Officer. “Hotel performance within our portfolio improved each month in the first quarter and we remain optimistic about both the trajectory of the industry recovery and the outlook for our Company.”

We use certain non-GAAP measures, in addition to the required GAAP presentations, as we believe these measures improve the understanding of our operational results and make comparisons of operating results among peer real estate investment trusts more meaningful. most recently filed Annual Report on Form 10-K for a more detailed description of how these non-GAAP measures are calculated. The reconciliations of non-GAAP measures to the closest GAAP measures are provided below and provide further details of our results for the period being reported.
